All prices are starting rates for standard apartment turnover, maintenance, and property service work. Final pricing may vary based on unit condition, approved scope, access, occupancy, materials, repairs, surface damage, size, layout, and property-specific requirements.

Unless otherwise stated in the approved estimate, services are priced as labor-only. Some drywall and resurfacing services may include standard materials required for completion. Specialty materials, replacement parts, primer, color changes, excessive prep, occupied-unit protection, return trips, rush service, or additional work outside the approved scope may be billed separately.
